

# Maps

Have fun exploring maps together!

1. Read the map stories. Discuss the different types of maps shown.
2. Use the magnetic maps to practice the continents, oceans and talk about the 50 states.
3. Use the map of Missouri to find Cape Girardeau and to locate places your family has visited.
4. Together create a map of your home in the map book. Use the compass to discuss the directions in your home.
