

Writer's Workshop

1. Choose the topic you want to write about.
Use your topic chart to choose a **new** idea.
2. **Do your prewriting.** Use the graphic organizer.
Ideas do not have to be written in sentences.
3. Practice what you want to say.
4. **Write your rough draft on the paper on the clipboard using your blue pen.**
5. **Revise your story using the green pen.**
Use your checklist for ideas to make it better.
6. **Edit your story using the red pen.**
Use your checklist to find errors.
7. **Write your final copy in pencil** using the paper in the polka dot notebook.
8. **Publish your story** by carefully tearing out the final copy and placing it in the gold binder so others can read your story.
