

Writer's Briefcase

This evening I hope you enjoy taking time to write with your child. Here are some activities to do together:

1. Read the writing book. Talk you're your child about what kind of writing you do at home or at your job.
2. Help your child write a story by following the same steps as they do in Writer's Workshop as shown in the binder.
3. The objective for 2nd grade is to write a good paragraph that would be 5 sentences. Here's the form:
 - a. Introductory sentence – states the idea of the paragraph
 - b. 3 detail sentences – these support the idea of the paragraph by giving more information.
 - c. Concluding sentence – restates the idea of the paragraph in an ending way
